AH VISION

TELECOMMUNICATION SERVICES (Pvt) Ltd.

Taking pride in our quality services and supplies

WELCOME

AH VISION TELECOMMUNICATION SERVICES

AH Vision provides services in the field of telecommunication with experience spanning over a decade. We supply both new and refurbished telecom equipment. We have a designated lab equipped with latest tools to repair telecom equipment. Our firm has been able to guarantee absolute customer satisfaction since its inception and is determined to excel further.

CEO'S PROFILE

ASIF KHAN
(CEO)

Mr. Asif started his career with SKS, Pakistan's first private sector data network company in 2004 and since then has been associated with the telecom industry and defense organizations. After working for SKS for more than 8 years in business development and marketing, he was handpicked by Global One, an international joint venture between Sprint Telecom and Deutsche Telecom to lead their business development efforts in Pakistan. In the year 2009, he joined Green base solutions Pvt. Ltd as Senior Manager Telecom Business Development. Besides developing other key projects, Mr. Asif has been instrumental in the planning and development of the various fiber optic networks for its clients. Mr. Asif has now started his business adventure with AH Vision Telecommunications Services Pvt. Ltd, whom he has been part of since its inception as CEO.

OUR MISSION & VISION

OUR MISSION

Rollout, and management services to the industry while transitioning to an asset owner. Accommodating evolving communications through innovation, user-friendly solutions and our professional management team.
